REACH Directive
Status Update 8 July 2021

Mueller Streamline Co. announces that no product lines supplied contain ANY of the 43 substances on the current Authorization List included under REACH Annex XIV, last updated on 16 June 2017. Further, no products contain any of the two hundred and nineteen (219) substances included on the Candidate List of Substances of Very High Concern (SVHC), last updated on 8 July 2021.

Product lines that are currently in compliance with REACH requirements, but contain materials that are foreseeably released during use, per Article 7(1) – materials which Mueller Industries suspects MAY be considered SVHC substances at a future date under REACH Annex XIV, as defined within Article 57 – are as follows:

Product Line | Reason for Concern | Corrective Action
None

Per REACH Article 33, Mueller Streamline Co. continues to monitor the status of SVHC materials as published by the ECHA. As of the time of this publication, all information is believed to be accurate.

For additional information regarding product compliance with the REACH Directive, please contact your local sales representative, or Mueller Streamline Co. Customer Service at 800-348-8464.
